Hinges Box & Euro Pallets

www.buylife.co

We offer to our clients a various & wide range of **Hinges Box and Euro Pallets** which are generally manufactured with certified quality grade wood. An Euro pallet is an excellent load carrier for light-medium weight goods. It provides an easier way for material handling & shipment & brings safety as well.

PACKAGING GROUP
Dedication For Excellence Packaging

Jungle Wood Box & Pallets

www.jungle.in

We offer to our clients a various & wide range of **Jungle wood Box and Pallets** which are generally manufactured with certified quality grade wood. The jungle wood box is an excellent load carrier for light-medium weight goods. It provides an easier way for material handling & shipment & brings safety as well.

PACKAGING GROUP
Dedication For Excellence Packaging

Plywood Box & Pallets

- Strong and durable packaging solution
- Low moisture absorption
- Lightweight
- Plywood deck has a smooth, clean surface
- Customized sizes are available up to a length of 8 ft
- Plywood does not pose any phytosanitary threats according to FAO - IPPC - ISPM15
- Proven to be a reliable load carrier

We offer to our clients a various & wide range of **Plywood Pallets** which are generally manufactured with certified quality grade plywood. The plywood pallet is an excellent load carrier for light-medium weight goods. It provides an easier way for material handling & shipment & brings safety as well.

Pine Wood Box & Pallets

PACKAGING GROUP
Dedication For Excellence Packaging

- Higher density
- Pest-free
- Termite proof by its characteristics
- Long working life
- Descent look
- Yellowish white colored appearance
- Light weighted & stackable
- (best suitable for air shipment)

We offer a wide range of export quality wooden boxes of wood boxes which are produced from pine wood. Pinewood is non-coniferous wood. These boxes are basically used where goods are dispatched to other countries or continents. We have designed pinewood boxes especially to carry invaluable products even under extreme conditions as per globalized standard packing norms. (ISPM 15)

Silver Wood Box & Pallets

www.rgpl.com

- Perfect Finishing
- High Durability
- Excellent Strength

We are dedicatedly involved in satisfying our clients with the best quality of silver wood boxes. Our boxes are manufactured with the best quality wood & advance technic under the most professional and expert guidance of our senior most experienced & high skilled team of professionals to assure you the committed quality & durability, We Manufacture wooden boxes as per custom requirements of customers.

Rubber Wood Box & Pallets

- Easy to handle
- Best Suitable for Domestic Shipment
- Cost Effective
- Higher weight bearable capacity
- Inside Framework, therefore outer appearance looks like a cupboard

We are manufacturing various types of Rubber Wood Boxes in wide range as per the drawing & requirements of customer. We are using high quality wood to make the boxes in order to meet customer specifications. These wooden cases brings higher safety to component for long route transportation.

Corrugation + Wooden

www.rgpl.com

We provide Corrugation + Wooden boxes which benefits you as follows:

- 1) Lighter and more durable than wooden shipping crates
- 2) Easy assembly compared to a lift van
- 3) Easy storage compared to wooden shipping crates
- 4) Fully recyclable compared to wooden shipping crates

Best Product

PE Stretch Roll

Stretch wrap film is more cost effective than alternatives such as strapping, corrugated or heat shrink film. Stretch Roll typically cost less than same caliber alternatives like shrink wrapping and strapping equipment. Stretch wrappers uses less energy to operate than other unitizing methods like shrink wrap systems.
